

Dear students,

As part of the UNI-T Academy project, a European project implemented since July 2022 which aims to improve teacher training in Europe, we would like to encourage the mobility of student-teachers.

The UNI-T project offers you the chance to go on a two-week internship in a local school of our partner countries: France, Germany, Italy, Greece and Belgium (subject to availability) from January 20th 2025 to April 24th 2025. These opportunities are available for different levels of education: early childhood, elementary, middle school and high school.

In case of selection, you will be awarded a scholarship!

To participate, you need to be a student in the education field from one of the UNI-T partner institution: La Sapienza, l'Université d'Aix-Marseille, l'Université Libre de Bruxelles, University of Tübingen and National and Kapodistrian university of Athens and from a UNI-T associated institution.

If you are interested, do not hesitate to visit the UNI-T Academy website [UNI-T \(uni-t-academy.eu: Activities > Innovation in teachers mobilities\)](https://uni-t-academy.eu) to know all the details of this opportunity and to not miss out on this experience!
