

## **BA Program in the Archaeology, History and Literature of Ancient Greece 1st semester - Outline of introductory library webinar**

- **Welcome and introduction**
- **Webinar overview**
  - About the library
  - NKUA Library and Information Center (LIC) website [BKΠ]
  - Library catalogue
  - Unified search
  - Search examples
- For more information and guidelines visit **the Library's e-class course ([LIB104](#))**
- **Description of the library system-** Library and Information Center of NKUA (LIC) [BKΠ]
- **Navigating the [LIC website](#)**
  - **News and announcements** [for change in opening hours, new services, etc]
  - **Library hours** [including chat hours, email and telephone access]
  - **Services** [search material, borrow, article ordering and interlibrary loan, access to e-resources, find digital resources, services for disabled students, plagiarism prevention]
  - **LIC Libraries** [for opening hours, access information, special facilities, etc]
  - **Collections**
    - **Pergamos** institutional repository
    - **Journals** – Electronic journals subscribed by HEAL-Link.
- **Navigating the [Library of the School of Philosophy](#)**
  - **Borrowing terms and conditions:**
    - Borrowing rights and user categories (general)
    - Membership application form
  - **[Article ordering](#) and [interlibrary loan](#)**
    - [As a member of the School of Philosophy if an item you need is not held at the Library, you may request it via either the article ordering or interlibrary loan service. The expenses for this service are undertaken by the library user. Applications for both services can be found on the website].
- **[Online catalogue](#)** [search library's physical collections, e.g. books, scores, audiovisual material, theses, special collections]

➤ [Login to my account](#)

[ I can see the books that I have borrowed and renew them if I want to, when to return them, make book lists and send them to e-mails and view my reading history. I have to register to the library, use the barcode of my student id and and give a pin.]

➤ [Unified search](#) or **union catalogue**

[for simultaneous search to various e-resources like catalogue, institutional repository Pergamos, bibliographical databases, e-journals & e-books, open access and subscription based content included].

➤ **Access to e-resources via proxy server - via VPN – via Shibboleth**  
see [Access to E- Resources](#)

➤ [“L’Année Philologique”](#) [It is a specialized bibliographic database / index of scientific publications covering all aspects of ancient Greek and Roman civilization.]

### Let’s see some examples
